# LIMITED EDITION SWIM SPA

## WATER FEATURES

**DUAL SWIM JETS** - Two powerful, adjustable swim jets provide the perfect variable swim current.

**14 HYDROTHERAPY HELIX JETS** - Treat yourself to a wonderful massage in the places you need it most with these revolutionary jets. This innovative design allows you to customise the power of your massage to relieve tightness and relax muscles, quickly melting away tension and pain.

**24 HR CIRCULATION PUMP** - Silently circulating the spa water 24 hours a day for sparkling clear water.

**RESISTANT SWIM PRO & GRAB RAIL** - The removable tether holds you in place whilst speed swimming and the grab rail above the swim jets is perfect for a great leg workout.

## OPTIONAL UPGRADES

## SOUND, TECHNOLOGY & LIGHTING

**Bluetooth Stereo** - Set the mood with a state of the art, marine grade Bluetooth stereo, four in-spa speakers and powerful subwoofer.

**WiFi** - Control your spa from your smart phone or smart device anywhere in the world.

**8 Additional Multicolour Dynabrite LEDs**  
Light up your entire spa for the ultimate light show.

## GREEN TECHNOLOGY

**FULL FOAM INSULATION** - This full foam insulation, using Icynene foam, provides the best heat retention available, keeping your spa efficient whilst also increasing the lifespan of the plumbing by virtually eliminating movement and vibration.

## PROTECTING YOUR SPA

**MAINTENANCE-FREE CABINET** - Synthetic cabinets that are extremely resilient and durable.

**ABS BASE** - Sealing the bottom of your spa and protecting it from the elements.

**SPA COVER** - Deluxe safety cover providing industry leading insulation and protection.

## AESTHETICS

**LED MULTICOLOUR LIGHT** - Choose your favourite colour or slowly fade from colour to colour for a spectacular light show below the water.

## GREEN TECHNOLOGY

**Ozone / Propure / AOP** - Three water purification systems are available to provide crystal clear spa water by killing bacteria with fewer harsh chemicals.

## EXERCISE
